ADMIN OPEN TUESDAYS - FRIDAYS. BOOKING ESSENTIAL. WE ARE CLOSED ON MONDAYS.

## WHAT WE OFFER

### WELCOME TO KLEINE RIJKE WEEKENDS

A bit about us:

Kleine Rijke is built on the Pretorius Family Farm. It has been in our family for nearly 200 years. It originally belonged to my great great grandfather, Andries Pretorius who was the Hero of Bloodriver ( if you know your Afrikaans history, this might interest you. )

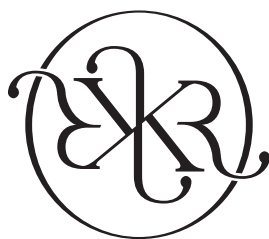

In 2017, we joined creative forces with furniture designer maker, David Krynauw, who designed and erected Kleine Rijke as his first Architectural Project.

God showed the way and we evolved into a wedding venue but when Covid happened, we needed to change lanes for a while. We remembered my great great grandmother's 120 year old bread oven in the back yard and thought to try it out for pizzas. This was built even before the historic house that is also situated on the property. The house was once built where the Hartbeespoort Dam is now. When construction started on the Dam, the house moved to it's current location but before they built the house, they built the oven and camped around it until the house was completed. Now, 180 years later, we are using it to make the pizzas you are enjoying now. When life gives you lemons... or when God makes a way. :)

At this stage, we are a tiny team still figuring things out. Due to the fact that we are still running two businesses side by side, we have select Saturdays already booked which is why Saturday Picnics are by prebooking only and only happens on certain Saturdays.

Being an avid runner, we also decided to open my beloved running route to the public. This is a beautiful 5km that loops by the Hartbeespoort Dam. You are most welcome to use this at your own risk.

We hope to see you soon for a weekend at Kleine Rijke!

## FAQ'S

### **Can I bring my dog?**

Yes, you are most welcome to bring your dogs. We are an animal friendly establishment. Please keep them on a leash if they are difficult but if well behaved, you are welcome to let them loose.

**\*NB: Please don't tie them to our furniture! Should any damage occur because of this, you will be held liable.**

### **Can I book a table:**

Unfortunately not. We have plenty of seating available but there is also plenty of lawn space. If you would like a table, come early. Otherwise make use of our ample lawn space by bringing a picnic blanket.

### **Can I bring my own food?**

Unfortunately not. We operate as a restaurant so in order for you to make use of our premises, you have to purchase something from our establishment.

### **What activities do you have available?**

We have a 5km trail that loops at the dam. You are welcome to use this **at your own risk**. You can run, walk or cycle.

### **Can I bring my children?**

Yes, we are a child friendly establishment. Kids love to play on the lawn and explore in the field. However, we are not geared towards child entertainment. Please keep an eye on your kids as we will not accept any responsibility for any injuries. Please also note that our furniture on display is valuable and are not toys. If you break it, you buy it.

### **Can I book Kleine Rijke for my wedding?**

At this stage things are very uncertain as to the way forward and have an obligation towards our bookings that are currently in the system. We are not taking in bookings at this time until we know what lies ahead. If you are interested in joining our waiting list, please drop me a mail on [jasmyn@kleinerijke.com](mailto:jasmyn@kleinerijke.com)

### **How does it work once I have booked?**

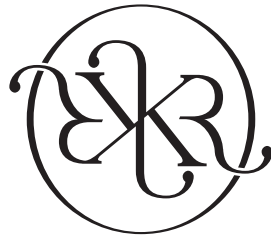

Please give us your name, number and order at the coffee station once you get to Kleine Rijke. We will then place your order. Pizzas take about 20mins from the time you give in your name so make sure you are around when they come out of the oven. If you are not ready to eat when you arrive, please let us know when you are ready to have your order placed. We will give you a call on your cell number once your order is ready. You can collect it at the coffee station. Sweets and drinks can be ordered on the premises. Sweets are first come first serve. Please note pizzas take about 45 mins between 12 and 2.

### **How does the picnics work?**

Preorders close strictly 12pm on the Friday before the Saturday of your picnic. Your boxes will be ready for collection from 12 on the picnic Saturday. They are placed on a communal access point in front of the coffee station.

### **Can I park on the lawn?**

Parking on the lawn is strictly prohibited. Please park in available parking in front of the building. Should this be full, please make use of the parking on left and right side of the road before entering the farmstead.

## FAQ'S

### **How big are the feastboxes?**

The feastboxes are single serving but they are big enough to share if you are looking for a light lunch or to share them between kids.

### **How big are the pizzas?**

The Pizzas are medium size and fit into a 23cm x 23cm box. They are a homemade and artisanal single serving.

### **What about Covid?**

We adhere to the government guidelines and ask that you please keep your social distance when visiting Kleine Rijke, fill out our entry registry, get your temperature checked and sanitise your hands often at our coffee station. We do cap the days to ensure that it does not get over crowded. Please wear your mask around the building and around other people.

### **Can I buy the products that are in the bathrooms?**

Yes! We do sell our Fynbos range and are currently waiting on a new shipment so get your preorders in! We stock Hand soap, hand cream, Diffusers, Sanitizers and Room Spray. Send me a mail at [jasmyn@kleinerijke.com](mailto:jasmyn@kleinerijke.com) for more information on this delicious range.

### **How does payments work?**

We require that you pay for your feastboxes online to confirm your booking but pizzas can be paid on the day. We do have card facilities and prefer that you pay with card rather than cash. For our own safety as well as yours, we do not keep cash on the premises.

### **Any future activities planned?**

Yes! We are looking to introduce exhibitions, a product shop and a very exciting David Krynauw Showroom in the near future! Watch this space!

### **Does Kleine Rijke sell alcohol?**

We are a non-alcoholic establishment. We do, however, offer a variety of non-alcoholic beverages on sale.

### **Can I bring my own cake?**

Unfortunately not.

Please be in touch if you would like a custom cake baked for you by our pastry chef. Alternatively we do have baked goods on sale every weekend.

THANK YOU

*see you soon! xx*
